

# Animal Reiki I Class

**March 24th and 25th  
9:00 am-3:00 pm  
Sable View Natural Horsemanship  
Development Center, Stockbridge, VT  
\$175**

This class is the foundation for self-care and working with animals. We will discuss the history of Reiki, Reiki precepts, the Japanese energy system, meditations and the protocol for animals. The student will learn basic hand positions for self-care and for treating friends and family, however, the focus will be on treating animals. Four Reiki I attunements will be given. We will have practice time with the animals. The student will gain the basic knowledge for working on any animal. A manual and certificate are included. A portion of the class fee will be donated to the Hooved Animal Sanctuary. A \$25 deposit is required to register.

**About the teacher:** Kelly McDermott-Burns of HeartSong Reiki is a teacher/practitioner trained in Animal Reiki by Animal Reiki Source. Also trained in the Japanese Art of Reiki by the International House of Reiki, she is a recommended teacher of Shibumi International Reiki Association. Kelly is a founding and teaching member of the Shelter Animal Reiki Association and a former president of the Vermont Reiki Association.

**About the venue:** Sable View Natural Horsemanship Development Center is a private facility in the heart of the Green Mountains of Vermont that specializes in foundation building for horses & their human companions. [www.sableview.com](http://www.sableview.com)

**Please call or email Kelly at (802) 746-8834 or  
[kelly@heartsongreiki.com](mailto:kelly@heartsongreiki.com) to register.**
